# Reopening Committee Update

## Update from the Holy Spirit Re-opening Committee...

- The Re-opening committee has been meeting regularly to evaluate and make recommendations.
- Currently, we are not recommending any changes in our policy. The church building and sanctuary remain closed except for extremely limited staff access.
- Cleaning and disinfecting of the building will continue in accordance with our Stage 1 re-opening Plan.
- Our very robust on-line worship will continue.
- The outdoor areas of the property (labyrinth, columbarium) are open for individual prayer or reflection, subject to the State guidelines for outdoor meetings and are not for church programming.
